FINANCIAL PAYMENT POLICY**

REGARDING INSURANCE: Our office participates with Medicare and many managed care insurance companies. Should your insurance coverage be with one or more of these companies, we will bill your insurance company along the guidelines of our contract. However, co-payments, co-insurances, and deductibles that have not been satisfied, are the responsibility of the patient and payment is expected at the time services are rendered. If you have an insurance with which we do not participate, we ask that payment be made at the time services are rendered and your insurance company will reimburse to you any amount due. As a courtesy to our patients, we will submit a claim to your insurance company.

SPECIAL NEEDS: There are times when making a payment can be a financial hardship. It may be necessary to set up a payment plan for a patient who cannot comply with our financial policy for non-well visits. If you are in need of special payment arrangements for non-well visits, please advise our Billing Coordinator or Administrative Supervisor as soon as possible. Co-pays are exempt from this because your insurance requires you to pay your co-pay at the time services are rendered.

Informing our patients about our financial policy assists us in providing the best service to our patients. Thank you for taking the time to read this policy statement. Should you have further questions or comments, please contact our Billing Coordinator or Administrative Supervisor.
